

XIV CONGRESO DEL COLEGIO MEXICANO DE UROLOGÍA NACIONAL, A.C.
FORMATO VIRTUAL

6 al 8 de mayo, 2021

AsoflonDuo

ROOM 1

ASOFLON®

THURSDAY MAY 6th 2021

FRIDAY MAY 7th 2021

SATURDAY MAY 8th 2021

ANDROLOGY

Coordinator: **Dr. Juan Francisco Lizárraga Salas**

RENAL CANCER

Coordinator: **Dr. Carlos Arturo González González**

EAU SYMPOSIUM

Coordinator: **Dr. Félix Santaella Torres**

08:00-08:20	Refractory erectile dysfunction: Are there new treatment options? Dr. Alejandro Carvajal	08:00-08:14	Principles for the surgical management of renal cancer. Dr. Raju Thomas	08:00-08:19	Update on male and female urethral surgery. Dr. Christopher Chapple
		08:14-08:28	Nephron-preserving surgery: Should it be performed whenever it's possible? Dr. Hein Van Poppel	08:19-08:38	Is the detection of prostate cancer a priority? Dr. Hein Van Poppel
08:20-08:40	New concepts in the diagnosis and management of idiopathic male infertility. Dr. Agarwal Ashok	08:28-08:42	Innovations in robotic partial nephrectomy. Dr. Mihir Desai	08:38-08:57	Radical prostatectomy after active surveillance. Prognostic implications. Dr. Xavier Cathelineau
08:40-09:00	Male infertility and spermatic DNA fragmentation: Bases for use according to the latest clinical practice guidelines. Dr. Agarwal Ashok	08:42-08:56	Role of cytoreductive nephrectomy in the management of metastatic renal cancer in 2021. Dr. Philippe Spiess		

CAU SYMPOSIUM

Coordinator:
Dr. Héctor Raúl Vargas Zamora

PROSTATE CANCER

Coordinator: **Dr. Xavier Abraham Espinoza Guerrero**

AUA SYMPOSIUM

Coordinator:
Dr. Ignacio López Caballero

09:00-09:14	Optimization of the management of urological cancer during the COVID pandemic: Risk-minimization strategies. Dra. Ana María Autrán	09:00-09:14	In the limit of active surveillance: Intermediate risk young patients. Reducing the risk of progression. Dr. Laurence Klotz	09:00-09:14	Vegetable diet and urological health. Dr. Stacy Loeb
09:14-09:28	Indications for radiotherapy for biochemical relapse. Dr. Rafael Sánchez Salas	09:14-09:28	PET CT Dr. Robert Reiter	09:14-09:28	Deintensification of low risk non-invasive bladder cancer. Dra. Angela Smith
09:28-09:42	Salvage robotic radical prostatectomy: Surgical technique and recommendations. Dr. Alejandro R. Rodríguez	09:28-09:42	Implementation of genetic testing in prostate cancer. Dr. Stacy Loeb	09:28-09:42	Principles for the surgical management of bilateral renal tumors. Dr. Raju Thomas

09:42-09:56	Invasive bladder cancer. Molecular aspects in clinical practice. Dr. Hamilton Zampoli	09:42-09:56	Complications of focal therapy in prostate cancer. Dr. René Sotelo	09:42-09:56	Complications in endourology. Prevention and treatment. Dr. John Denstedt
ENDOUROLOGY Coordinator: Dr. Edgar Beltrán Suárez		TESTICULAR CANCER Coordinator: Dr. Juan Carlos Huerta Gómez		SIU SYMPOSIUM Coordinator: Dr. Andrés Hernández Porras	
					
10:10-10:24	Global trial of the Société Internationale d'Urologie about placement of a double-J catheter. Dr. Jean de la Rosette	10:10-10:29	Role of miRNA in the future management of testicular cancer. Dr. Sia Daneshmand	10:10-10:24	Neurovascular bundle sparing in posterior urethra surgery. Dr. Reynaldo Gómez
10:24-10:38	Sheathless flexible ureteroscopy. Dr. Mariano González	10:29-10:48	Retroperitoneal lymphadenectomy. Technique and indications. Dr. Rafael Coelho	10:24-10:38	Prostate biopsy update: From transrectal ultrasound-guided biopsy to MRI-guided biopsy. Dr. Jean de la Rosette
10:38-10:52	Percutaneous surgery. From admission to discharge. Dr. John Denstedt	10:48-11:07	Reduction of morbidity in retroperitoneal lymphadenectomy. Dr. Sia Daneshmand	10:38-10:52	Role of biomarkers in the management of low- and intermediate-risk prostate cancer. Dr. Laurence Klotz
10:52-11:06	3 cm-stone disease: Multiple ureteroscopies vs single mini-percutaneous ureteroscopy. Dr. Norberto Bernardo			10:52-11:06	Localized prostate cancer: Who should be treated? Dr. Rafael Sánchez Salas
ALTERNATIVES FOR THE TREATMENT OF PROSTATIC HYPERPLASIA Coordinator: Dr. José Manuel García de León Gómez		BLADDER CANCER Coordinator: Dr. Erick Mendoza Carrillo		BLADDER DYSFUNCTION Coordinator: Dr. Jorge Moreno Palacios	
11:10-11:20	MEDICAL THERAPY Dr. Jaime Durruty Bostelmann	11:10-11:25	Natural history of non-invasive high risk bladder cancer: New Therapies versus cystectomy. Dra. Angela Smith	11:10-11:25	Hypoactive bladder: Diagnosis and treatment consensus. Dr. Christopher Chapple
11:20-11:30	UROLIFT Dr. Marco Franco	11:25-11:40	Tips and tricks for nerve-sparing cystectomy in men and women. Dr. Peter Wiklund	11:25-11:40	Management of female and functional urology during the COVID19 pandemic. Dr. David Manuel Castro Díaz
11:30-11:40	REZUM Dr. Alejandro R. Rodríguez				
11:40-11:50	BIPOLAR Dr. Camilo Andrés Giedelman Cuevas	11:40-11:55	Open vs robotic radical cystectomy: Oncologic results. Dr. Peter Wiklund	11:40-11:55	Sacral anterior root stimulation (SARS) for neurogenic bladder. Dr. Reynaldo Gómez
11:50-12:00	HOLEP Dr. Carlos Brugiatì				
12:00-12:10	TULIP Dr. Javier Sánchez Macías	11:55-12:10	Perioperative treatments in muscle-invasive bladder cancer. Dr. Gustavo Villoldo	11:55-12:10	Sacral and percutaneous neuromodulation in voiding dysfunction. Dr. Enrico Finazzi Agro
12:10-12:20	AQUABLATION Dr. Mihir Desai				

AUCA SYMPOSIUM Coordinator: Dr. Carlos Alberto Fajardo Rivera Presidente				MISCELANEOUS (ADRENAL, PENIS, RECONSTRUCTION) Coordinator: Dr. Erick Sierra Díaz		VIDEOUROLOGY SYMPOSIUM (Clinical cases) Coordinator Dr. Ismael Sedano Portillo	
12:20-12:32	Overview of prostate cancer. Dr. Carlos Alberto Fajardo Rivera	12:15 -12:30	Management of bulky inguinal lymph nodes in penile cancer. Dr. Philippe Spiess	12:15-12:35	Management of renal masses Dr. Chandru P. Sundaram		
12:32-12:44	Laparoscopic radical prostatectomy: Step by step. Dr. Javier Flores	12:30-12:45	Endoscopic inguinal lymphadenectomy in penile cancer Dr. René Sotelo	12:35-12:55	Management of kidney stones. Dr. Mantu Gupta		
12:44-12:56	Extraperitoneal laparoscopic radical prostatectomy. Dr. Mario González Salas						
12:56-13:08	Robot-assisted radical prostatectomy. Dr. Elías Bodden	12:45-13:00	Minimally-invasive adrenalectomy. Dr. Rafael Coelho	12:55-13:15	Complications in Endourology. Dr. Arthur D. Smith		
13:08-13:20	Management of prostate cancer. Experience in Nicaragua. Dr. Carlos Neira	13:00-13:15	Management of bladder neck contracture. Dr. René Sotelo				
SMU SYMPOSIUM Coordinator: Dr. Melchor Castro Marín				BUSINESS MEETING 13:20 - 14:30			
13:30-13:44	What's new in urethral surgery? Dr. Erick Alejandro Ramírez Pérez	Reports from the President and Treasurer				13:15-14:15 <div style="text-align: center;"> Symposium  </div>	
13:44-13:58	Sexual function after urethral surgery and prostatic laser. Dr. Ricardo Alonso Castillejos Molina	Voting for candidate to Vicepresident of CMUN					
13:58-14:12	Urinary incontinence after urethral surgery. Dr. Julio César López Silvestre	Presentation by the 2019-2021 Board Taking office of the 2021-2023 Board					
14:12-14:26	Questions and answers. Coordinator: Dr. Julio César López Silvestre	Remarks by Dr. Héctor Raúl Vargas Zamora 2021-2023 Board					
Coordinator		Coordinator				 ASOFLON AsoflonDuo Control preciso y constante En Asofarma continuamos presentes con el arsenal terapéutico de nuestra Línea Urología con el fin de seguir apoyando a sus pacientes en sus tratamientos.	

14:30-15:30	VIATRIS Symposium	14:30-15:30	JANSSEN Symposium	
Coordinator		Coordinator		
15:30-16:30	ASTELLAS Symposium	15:30-16:30	Symposium  ASOFARMA
